ABOUT IMPACT THE PALM BEACHES

Impact the Palm Beaches is a philanthropic organization where women collectively award grants to nonprofits in Central and Northern Palm Beach County to ignite transformational change in our community. Membership consists of women who annually contribute \$1,100 (\$1,000 to the Impact grant and a \$100 membership fee). Once a year, Impact members gather at our Annual Award Celebration to award \$100,000 grant(s) to local nonprofits. The exact amount of funds available to award in any given year depends on the number of women who join the organization. Since 2015, Impact has invested over \$1.1 million.

The Town of Palm Beach United Way serves as the fiscal agent for Impact the Palm Beaches.

ABOUT THE GRANT COMMITTEE

Impact the Palm Beaches seeks to fund projects that are truly transformational, address unmet needs through an innovative approach, greatly impact the beneficiaries, and are sustainable for years to come. Grant Committee members are responsible for carefully vetting grant applications and selecting finalists who will present in front of Impact members at the Annual Award Celebration. Committee members serve as the eyes and ears of the entire membership.

We seek projects that:

- Foster change and have long-term positive impact
- Are well-defined, studied, and deliberate
- Are new or expansions/improvements of existing projects that can change the way an organization or a community operates
- Demonstrate specific, measurable goals

A QUICK LOOK AT THE GRANT CYCLE

OVERVIEW OF THE GRANT PROCESS

Each year, Impact the Palm Beaches and its community partners send notices of the availability of our grants to hundreds of nonprofit agencies and invite them to submit grant proposals. The Impact Grant Committee (made up of members of Impact the Palm Beaches) extensively reviews and scores each proposal. Committee members also attend "site visits" at select agencies. After site visits, the Grant Committee meets to identify finalists to present at our Annual Award Celebration. Following the agency presentations, a vote is immediately taken by the Impact members and a final decision is made regarding grant recipients.

Serving on the Grant Committee of Impact the Palm Beaches is educational, engaging, and extremely rewarding. **However, it is also a significant time commitment.** To serve on the 2022-2023 Grant Committee, members should be available to score both Letter of Intent (LOI) and Request for Proposal (RFP) applications, and attend Grant Committee meetings and trainings (see the Calendar for dates). Members must be either paid in full for the year or current with their installment plan.

Aleese Kopf is the chair of the 2022-2023 Grant Committee with Kristen Perrone and Erin Standish serving as co-chairs. If you have any questions about being a member of the Grant Committee, please contact Aleese at 561-655-1919 or aleesekopf@palmbeachunitedway.org.
